### **Statement of Directors' Responsibilities**

---

The Companies (Jersey) Law 1991, as amended (the "Law") requires the Directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Trustee as at the end of the financial year and of the profit or loss of the Trustee for that year. Under that law, the Directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trustee will continue in business.

The Directors are responsible for keeping accounting records which are sufficient to show and explain its transactions and are such as to disclose with reasonable accuracy at any time the financial position of the Trustee at that time, and to enable them to ensure that any financial statements prepared comply with the Law. They are also responsible for safeguarding the assets of the Trustee and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Statement of information to be made available to the auditor**

The Directors have taken all steps that they ought to have taken to make themselves aware of the information needed by the Trustee's auditor for the purpose of their audit and to ensure that the auditor is aware of that information. The Directors are not aware of any relevant information of which the auditor is unaware.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IDB TRUST SERVICES LIMITED

### Opinion

We have audited the financial statements of IDB Trust Services Limited ("the Company") for the year ended 31 December 2017 which comprise the Statement of Financial Position, Statement of Comprehensive Income, Statement of Cash Flows, Statement of Changes in Equity and notes 1 to 8 to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards ("IFRSs") as issued by the International Accounting Standards Board.

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with IFRSs as issued by the International Accounting Standards Board; and
- have been prepared in accordance with the requirements of the Companies (Jersey) Law 1991.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The other information comprises the information included in the directors' report. The Directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material

misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Companies (Jersey) Law 1991 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of Directors**

As explained more fully in the Statement of Directors' Responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

This report is made solely to the Company's members, as a body, in accordance with Article 113A of the Companies (Jersey) Law 1991. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## **1. INCORPORATION AND ACTIVITIES**

IDB Trust Services Limited (the "Trustee") was incorporated in Jersey on 8 Muharram 1426H (17 February 2005G) as a limited liability par value company pursuant to the Companies (Jersey) Law 1991, with registration number 89541. The registered office of the Trustee is 44 Esplanade, St Helier, Jersey JE4 9WG, Channel Islands.

The Trustee's authorized share capital is £10,000 (USD 20,000), made up of 10,000 ordinary shares of £1.00 each, of which two ordinary shares of £1.00 (USD 2) each have been issued and are fully paid up.

All of the issued shares of the Trustee are held by, or on behalf of, Intertrust Corporate Trustee (Jersey) Limited as share trustee, under the terms of a declaration of trust dated 7 Muharram 1426H (16 February 2005G) establishing a charitable trust.

The principal objects of the Trustee, as set out in the Memorandum of Association, are to act as trustee generally and to issue trust certificates in respect of any such trust, to borrow or raise money and to grant security over its assets for the performance of its obligations or the payment of money.

The Trustee was established to raise funds by the issue of Trust Certificates and to use the net proceeds of such issuance to purchase the Sukuk Assets in accordance with a Trustee Purchase Agreement.

On 7 October 2015, an amended and restated Master Purchase Agreement was entered into between the Trustee and Islamic Development Bank – Ordinary Capital Resources (IDB-OCR), whereby the Trustee may issue, from time to time, up to USD 25 billion of Trust Certificates, in series. This replaced the original Master Purchase Agreement dated 28 July 2009, the 1st amendment to the Master Purchase Agreement dated 27 September 2010, the 2nd amendment to the Master Purchase Agreement dated 8 June 2012, and 3rd amendment to Master Purchase Agreement dated 24 December 2013 allowing the issuance of up to USD 1.5 billion, USD 3.5 billion, USD 6.5 billion and USD 10 billion of Trust Certificates respectively.

As part of the Agreement referred to above, IDB-OCR must, in respect of each series, create a separate and independent portfolio of assets comprising of:

- At least 33% tangible assets, comprised of Leased Assets (Ijara), Disbursing Istisna'a Assets, Shares and/or Sukuk; and
- No more than 67% intangible assets, comprised of Istisna'a Receivables and/or Murabaha Receivables.

The Board of Governors of IDB passed a resolution BG/4-436 (Dated: 11 June 2015) approving the use of the Solar Hijri calendar in determining the start and end dates of the financial year whilst maintaining the Lunar Hijri as the official calendar of the Bank. Thus, all future financial years of the Bank will cover the period equivalent from 1st January to 31st December.

The current financial statements cover a period of 365 days from 1 January 2017 to 31 December 2017 ("year ended 31 December 2017"). The comparative figures covering the period 14 October 2015 – 31 December 2016 ("period ended 31 December 2016") (equal to 444 days) are therefore not comparable.

## **2. SIGNIFICANT ACCOUNTING POLICIES**

### **a) Basis of preparation**

The financial statements have been prepared in accordance with International Financial Reporting Standards.

#### **b) Going concern**

The Trustee is reliant on the continued support of the Islamic Development Bank ("IDB"), in IDB's capacity as the Wakeel (Agent) to service the Sukuk assets, in respect of the Trustee's ongoing activities. IDB have committed to provide all necessary support and accordingly the Directors have prepared the financial statements on the going concern basis.

#### **c) Loans and receivables (Amount due from Islamic Development Bank – Ordinary Capital Resources)**

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are carried at amortized cost using the effective interest method. Gains and losses are recognized in the statement of comprehensive income when the loans and receivables are derecognized or impaired, as well as through the amortization process.

(Incorporated as a limited liability par value company in Jersey)

**Notes to the Financial Statements (continued)**

**Year ended 31 December 2017**

(All amounts expressed in United States Dollars unless otherwise stated)

---

### **2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### **c) Loans and receivables (Amount due from IDB-OCR) (continued)**

The Trustee was established to raise funds by the issue of Trust Certificates and to use the net proceeds of such issuance to purchase the Sukuk Assets in accordance with a Master Purchase Agreement. Legal title of the Sukuk Assets passed from IDB-OCR to the Trustee. However, since IDB-OCR continues to guarantee any shortfall in the return to the Trust Certificate holders and also retains a residual interest in the assets transferred to the Trustee, the assets did not satisfy the derecognition criteria of International Accounting Standard Number 39 as the associated risks and rewards have not been transferred. Consequently, the Sukuk Assets continue to be recognized in the financial statements of IDB-OCR.

Accordingly, the Trustee has not recognized the transferred assets, or the associated derivative instruments, in its statement of financial position. The Trustee has recorded these assets as an amount due from IDB-OCR. This amount due is deemed to have the characteristics and terms that mirror the Trust Certificates. The Trustee also recognizes income based on the deemed terms of the amount due from IDB-OCR.

#### **d) Loans and borrowings (Trust Certificates issued)**

All loans and borrowings (Trust Certificates issued) are initially recognized at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in the statement of comprehensive income when the liabilities are derecognized as well as through the amortization process.

#### **e) Revenue recognition**

Income is recognized on the amount due from IDB-OCR using the effective interest method on the amount of Trust certificates issued by the Trustee, and including amortization of transaction costs and related professional fees.

#### **f) Amortization of Transaction costs**

Transaction costs incurred on the issuance of Trust Certificates and additional transaction costs incurred over the Trust Certificates period are capitalized. The transaction costs are then amortized over the period of the Trust Certificates on a straight line basis. The amortization of transaction costs is charged to the statement of comprehensive income.

The unamortized transaction costs in respect of Trust Certificates redeemed earlier than the maturity dates are charged to the statement of comprehensive income when the Trust Certificates are redeemed.

#### **g) Translation of currencies**

Transactions in currencies are recorded at the exchange rates prevailing at the dates of the respective transactions. Monetary assets and liabilities denominated in foreign currencies are translated into United States Dollars at the statement of financial position date. Foreign currency exchange gains and losses, if any, are credited or charged to the statement of comprehensive income. The Trustee operates in US Dollars, Saudi Riyals, British Pounds and Euros.

#### **h) Impairment and non-collectability of financial assets**

An assessment is made at each statement of financial position date to determine whether there is objective evidence that a financial asset or group of financial assets may be impaired. If such evidence exists, the estimated recoverable amount of that asset is determined and any impairment loss recognized for the difference between the recoverable amount and the carrying amount. Impairment losses are recognized in the statement of comprehensive income.

### **5. FINANCIAL RISK MANAGEMENT**

The Trustee has issued financial instruments in the form of Trust Certificates. The Trustee has used the proceeds of the Trust Certificates issuance to purchase a portfolio of Sukuk Assets and has the benefit of a liquidity facility available from IDB-OCR in order to ensure that sufficient returns are generated to meet its liabilities to Trust Certificate Holders. It is intended that all financial instruments will be held until maturity and that the Trustee will not trade in financial instruments.

#### **a) Sensitivity analysis**

IFRS 7 requires disclosure of 'a sensitivity analysis for each type of market risk to which the entity is exposed at the reporting date, showing how profit or loss and equity would have been affected by changes in the relevant risk variable that were reasonably possible at that date'. Whilst the financial instruments are separately exposed to investment return risk and market price risk, the profit or loss and equity of the Trustee is not exposed to any significant investment return risk or market price risk. Therefore, in the Directors' opinion, no sensitivity analysis is required to be disclosed.

#### **b) Credit risk**

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. For all classes of financial assets held by the Trustee, the maximum credit risk exposure to the Trustee is the carrying value as disclosed in the statement of financial position. The Trustee's credit risk is concentrated in the amount due from IDB-OCR.

The Trustee is subject to the risk of default in payment by the obligors under each of the Ijara contracts, Sukuk Investments, Murabaha contracts, Instalment sales and Istisna'a contracts comprised in the Sukuk Assets. This risk is addressed in respect of the Trust Certificates by IDB-OCR, primarily pursuant to a combination of a Liquidity Facility and Purchase Undertaking Deed. IDB-OCR has agreed to make advances to the Trustee pursuant to the Liquidity Facility Agreement to allow timely payment of amounts due to Trust Certificate Holders. Furthermore, the exercise price payable by IDB-OCR in respect of any Sukuk Assets under the Purchase Undertaking Deed will be based on (a) the aggregate nominal amount of the relevant series of Trust Certificates and (b) the amount of payable but unpaid periodic distribution amounts on such date.

In addition, IDB-OCR bears any exchange loss arising from the underlying Sukuk Assets, such as the GBP and Euro denominated Sukuks, and the Trustee is not exposed to any currency risk related to those assets.

### d) Liquidity risk
